Attendee Testimonials

"SASE gave me a sense of belonging and support within a community that shares my cultural background where I can be myself and truly felt a genuine connection with others."

Redela Culaton-Heraldo
ThermoFisher Scientific

Joanne Lock
The Chemours Company

"Hearing about other Asian women professionals & their personal life stories during the conference was fascinating. I related to the challenges faced at the workplace and learned from other's experiences."

"I am utterly transformed by this experience...This was an incredibly empowering event that makes me so grateful for the holistic me!"

Jelen Sindall, VMD
Cisco

Kitty Cha
Honeywell

"SASE really prioritizes providing a safe space for like-minded professionals to learn, no matter what experience level."
